PayPal is free when you make purchases and when you send money from your bank account or PayPal balance.

If you use a credit or debit card to send money, a fee applies. The sender decides who pays the fee.

We will not be accepting the fee charges thus resulting in the rejection of the payment.

The fee is 2.9% plus \$0.30 USD of the amount you receive. For example, if you are sent \$100.00 USD by credit card, the fee would be \$3.20 USD (\$2.90 + \$0.30).
